A BANQUET WILL BE HELD AT THE ROYAL INN MOTEL 15 W. 4TH ST. AT 7:00 P.M. THE EVENING OF THURSDAY, NOVEMBER 2ND. RESERVATIONS FOR THE BANQUET SHOULD BE SENT TO MILTON H. NAGELY, ABILENE, KANSAS.

MANAGER'S MESSAGE

I would, again, like to invite you to a sale of outstanding Shorthorn and Polled Shorthorn cattle. The breeders always consign their better cattle to this annual show and sale. This year we have two top breeders from Oklahoma selling some cattle in the sale also.

Kansas ranks near the top in the nation in transfers and registrations of Shorthorn and Polled Shorthorn cattle. I feel that Kansas ranks among the top also in the quality of their cattle. The quality of the cattle in this sale should satisfy anyone needing replacement cattle, starting a new herd, or buying for crossbreeding purposes.

The Champion bull and Champion female at this year's Hutchinson State Fair were bred and owned by Kansas exhibitors.

The strong-aged bulls in the sale will be some of the best. Each year more Shorthorn and Polled Shorthorn bulls are used for crossbreeding. The Commercial cow man likes the disposition and gainability of the Shorthorn and Crossbred Shorthorn calves.

The females in the sale will be of the same good quality as our bulls. We have some outstanding 1972 heifer calves that will make excellent 4-H club projects. With the increasing demand for stock cows this might be a good opportunity to buy some outstanding Shorthorn females.

The schedule this year will be:

Thursday, November 2, 7:00 p.m. - Annual meeting and buffet dinner, Royal Inn.

Friday, November 3, 9:30 a.m. - Junior Shorthorn Association

"Buy a Calf - Show a Calf" show; sale at 12:00 noon.

The Junior calf show will consist of seven heifers and about 25 hand-picked steers. More calves will be consigned by sale day.

The registered cattle will sell following the Junior Association sale. The quality of the calves is always good. Do mark your calendar now for November 2 and 3, so you can plan to attend this show and sale.

The dinner and business meeting is very informal and is open to everyone interested in Shorthorns. It will be held Thursday evening, November 2, 7:00 p.m., at the Royal Inn Motel. Sale Headquarters are Royal Inn Motel, 15 W. 4th Street; phone 316-663-1211.

The Lassies will hold a business meeting following the dinner.

Milton Nagely, sale manager

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
